### CORPORATE REAL ESTATE ASSOCIATE LEADING INTERNATIONAL FIRM

REF. 398540

This established firm has a vacancy for a mid-level associate in its highly regarded corporate real estate practice. The successful candidate should possess three to five years' PQE in a common law jurisdiction – ideally UK or Australian-qualified – with a respected firm. Areas of experience would include acquisitions, disposals and leasing of business premises, real estate investment trusts and advising on construction, as well as development projects. This is a superb opportunity to engage in a wide range of commercial property work and learn from well-respected individuals.

### OIL & GAS, SENIOR ASSOCIATE ESTABLISHED UK-BASED FIRM

REF. 414460

This company is a premier UK-based firm with an established presence in Southeast Asia. It is seeking a mid-level oil and gas lawyer to boost its growing practice. This is an excellent opportunity for a dynamic and ambitious lawyer looking to gain exposure in high value, cross-border work, and to develop a career with a strongly collegiate team. The ideal candidate will have worked in a top UK, Australian or local law firm, with prior experience in energy projects and four to six years' PQE.

### ENERGY & PROJECTS, SENIOR ASSOCIATE ESTABLISHED UK-BASED FIRM

REF. 398540

This is a rare opportunity to join one of Singapore's top law firms with an established presence across different practice areas. This company has an exceptional blue chip client base and will provide the successful candidate the opportunity to work on some high profile and challenging project finance work in Asia. The ideal candidate should be Commonwealth-qualified with four to six years' PQE, ideally in M&A in the oil and gas/mining sectors, and possesses knowledge on project finance documentation.

### VICE-PRESIDENT, LEGAL COUNSEL BOUTIQUE EUROPEAN BANK

REF. 424530

This company is a European boutique bank that provides banking, investment and cash management services. An opportunity has emerged for a legal professional with at least eight years' experience, to contribute to its growth in the region. The incumbent will work closely with identified businesses to provide practical and timely commercial legal advice and solutions. Key responsibilities will also include legal support for specific projects, and take a lead role in the regional management of the negotiation and drafting of legal documentations, and supervision of external counsel for transactions.

### VICE-PRESIDENT, LEGAL COUNSEL TOP-TIER INVESTMENT BANK

REF. 416700

This company is a leading global investment bank, boasting an extensive range of products and services across investment and private banking, and asset management. As part of its strategic focus on growth in the APAC region, an exciting opportunity has emerged for a qualified attorney with six to eight years' experience to join its dynamic legal team. You will partner with, and provide legal support and advice to the bank's lending business, and advise management and other functional partners on legal issues and product initiatives.

### COMMERCIAL & CONTRACTS ADVISOR GLOBAL TECHNOLOGY LEADER

REF. 422360

An excellent opportunity has emerged for a commercial-minded lawyer, with two to four years' PQE, to move into a business-oriented role with a global leader in the IT industry. The successful candidate will be an integral part of the Singapore-based contracts team covering the Asia Pacific region. Working hand in hand with the business, the incumbent will offer general pre and post contractual support and advise on sales contracts. Prior experience in a contracts management role is ideal, but sound commercial skills with strong corporate and/or transactional experience will be favourable.
