Along with managing search and selection assignments, we provide bespoke recruitment services for our clients and our global network of candidates.

Senior Associate - Competition & Trust, 8+PQE

Ref: CPP005

Working for a leading law firm, and based in Singapore, this role will take responsibility for a broad spectrum of legal work with a focus on Competition Law and Trust work. Offering genuine progression to Partnership, this challenging role will suit a dynamic lawyer hoping to build their career in Singapore.

Senior Corporate Counsel - Technology, 15+PQE

Ref: CLIH112

A start-up technology house with incredible levels of financing and a ground breaking product are actively looking to hire a senior lawyer to spearhead a legal function from their global head office in Singapore. A market leading salary and lucrative stock options will immediately be awarded to the successful candidate.

M&A Lawyer - Commodities, 8+PQE

Ref: CLIH125

A global commodities group is seeking to hire an M&A lawyer with experience in either the energy or the commodity market sectors. This exciting transactional role would suit a driven and dynamic personality with strong commercial acumen and a pragmatic approach to legal work. An attractive package will be tailored for the chosen candidate.

Senior Counsel - Energy, 5+PQE

Ref: CLIH124

A well-known brand in the energy market, our client is currently hiring a lawyer with strong maritime and trading experience. As the first lawyer to be appointed in the Singapore office, this role will support the Asian region in executing M&A transactions as well as advising on a range of commercial and shipping agreements. Mandarin skills will be highly regarded.

Corporate Counsel - REITS, 6+PQE

Ref: CLIH127

An Asian-focused industry leader within the real estate industry, our client is looking to strengthen its executive team with the appointment of a Corporate Counsel. You will possess listed company and relevant REIT experience and you will also be admitted to the Singapore Bar. This is a regional role which involves constant interaction with senior management.

Regulatory Counsel - Investment Firm, 3-6PQE

Ref: CLIH121

An investment firm has an urgent requirement to recruit a Regulatory Counsel. You will be responsible for providing regional regulatory and internal compliance support to various business units. This position would suit a dynamic junior or mid-level lawyer who is capable of providing regulatory advice on global transactions.

ISDA Lawyer/ Negotiator - Bank, 5+PQE

Ref: CLIH120

As a result of continued growth, this international bank is actively recruiting an ISDA Negotiator or Lawyer to provide support on all ISDA/GMRA documentation. This business facing role involves dealing with various internal stakeholders and will suit a meticulous and bilingual lawyer who is able to communicate effectively with senior management.

Legal Counsel - FMCG, 2-4PQE

Ref: CLIH110

A new opportunity has arisen to work for an FMCG company with significant international presence. You will play an active role in advising on a broad range of corporate and commercial contracts as well as ensuring compliance with local legislation. This is an exciting position which offers extensive training as well as unique exposure to regional legal work.

Corporate Counsel - Technology, 4-6PQE

Ref: CLIH098

A multinational IT company with its regional HQ in Singapore is currently seeking an experienced counsel to join the team. The successful candidate is expected to have strong relationship management skills and an excellent working knowledge of IT law. The role will also be responsible for drafting related contracts and advising internal stakeholders on general corporate matters.
