

# Making a Difference

Towards a Liveable & Sustainable Future

At the National Environment Agency, the work we do touches the daily lives of all Singaporeans. By protecting Singapore's resources from pollution, maintaining a high level of public health and providing timely meteorological information, we strive to ensure sustainable development and a quality living environment for present and future generations.

If you have a passion to make a difference to our environment, join us to experience a career like no other.

## SENIOR LEGAL COUNSEL / LEGAL COUNSEL

*You will be responsible for the following:*

- Oversee the Legal Department's new Warrant Enforcement Section in providing legal support to enforcement departments in NEA in respect of the enforcement of warrants of arrest issued by the Courts
- Assist and support the Legal Department's Prosecution Section
- Provide legal advice on legislation, environmental regulations, legal risk management, compliance issues and all matters under NEA's purview
- Advise NEA's departments on civil and criminal matters, train enforcement officers on investigation and enforcement of environmental laws
- Assist in vetting and drafting contracts and other legal documents
- Interpret, review and draft legislation
- Conduct prosecutions of offences, deal with insurance claims and liaise with external counsels

*Requirements:*

- At least a 2nd Class Lower LLB (Honours) Degree from the National University of Singapore or a reputable university and be eligible for admission to the Singapore Bar. Those with equivalent qualifications in overseas common law jurisdictions and admitted or eligible to practice in their jurisdictions may also apply
- Applicants for the position of Senior Legal Counsel must have at least 3 years or more of post qualification experience in corporate / commercial work (whether in practice or in-house) or in the public sector as a legal officer. Specific exposure to insurance work including procurement and claims administration or in the area of local environmental law and related legal work will be advantageous
- Fresh graduates currently attending or have completed their practice training contract may apply for the entry level Legal Counsel position

## SENIOR EXECUTIVE/EXECUTIVE (INTERNATIONAL LAW)

*You will be responsible for the following:*

- Provide legal and policy related advice on international conventions and environmental law matters
- Review, monitor and advise on international environmental legislation, case law and developments affecting NEA;
- Organise, conduct, guide, facilitate and manage training for NEA staff on issues regarding international environmental laws
- Develop, maintain and manage an Environmental Law Resource Hub

*Requirements:*

- Degree in Law/International Relations/Political Science or other relevant discipline from the National University of Singapore or a reputable foreign university. Preference will be given to those with legal background
- At least 2 years of post qualified experiences (PQE) in relevant corporate/commercial/ dispute resolution work would be desirable
- Prior working experience in the government service or statutory boards would also be considered
- Applicants for the position of senior executive must have at least 5 years of PQE
