

MINISTRY OF HEALTH
SINGAPORE

Deputy Principal Specialist / Senior Specialist (Legislation)

You will lead a team of specialists in developing a progressive legislative framework to implement health policies. This will include understanding the current healthcare regulatory framework and existing healthcare legislation, identifying areas for improvement, desired outcomes from our regulatory approach, and benchmarking against international practices and standards and legislative drafting in consultation with legal experts.

You should have the following:

- Candidates with degree in Law or Medicine (MBBS, MBChR, MD) will have an advantage;
- At least 5 years of relevant working experience;
- Good understanding of the health legislations and other relevant legislations that may impact on the work of MOH;
- Previous working experience in regulatory role would be advantageous, especially in legislative policy and enactment of Acts;
- Good understanding of various regulatory approaches and their optimal use;
- Excellent organisational and management skills;
- Effective communication and written skills;
- Ability to engage stakeholders and partners;
- Strong strategic orientation and sense of perspective;
- Possess good critical thinking, analytic and decision making skills.

Interested candidates are invited to apply online at <http://www.careers.gov.sg>.

Shortlisted applicants will be notified and we thank all applicants for their interest in this position.

Competition Commission
SINGAPORE

The Competition Commission of Singapore enforces the Competition Act by taking action against anti-competitive behaviour. We are committed to the professional development of our staff and offer a work environment that is intellectually challenging, collegial and dynamic. We are looking for self-motivated and energetic individuals who wish to make a career working for a competition authority.

Legal Counsel/Assistant Director/Senior Assistant Director (Legal and Enforcement)

Responsibilities:

Reporting to the Director (Legal & Enforcement), you will assist in the Commission's enforcement of the Competition Act against cartels, dominant companies that abuse their position and mergers which substantially lessen competition. You will have the opportunity to participate in dawn raids, work on policy matters and law reform relating to competition law, and represent the Commission in the Courts and Tribunals, as required. You may also have the opportunity to work on Free Trade Agreements and represent the Commission in international fora.

Requirements:

- Good Law Degree from a reputable university
- Called to the Singapore Bar
- Preferably 2 to 10 years of post-qualified experience
- Economics qualifications will be an added advantage
- Analytical, independent and self-motivated
- Strong communication and interpersonal skills

A competitive remuneration package commensurate with the applicants' qualifications and experience will be offered. Actual designation will depend on the years of experience the applicants possess.

Applications will be treated in the strictest confidence and will not be returned. Only shortlisted candidates will be notified

Information on these positions are available at <http://www.ccs.gov.sg> and <http://www.careers.gov.sg>. Please submit your curriculum vitae and application via <http://www.careers.gov.sg>.
