

LEGALLABS

Corporate Counsel (10+ PQE), Singapore

Our client, an MNC in the education business needs a Legal Counsel. As a sole contributor in the global HQ, you will support the board of directors and report to the CEO. You will work with business teams worldwide to oversee and provide legal support on corporate transactions, contract review, M&A, IP management and compliance and regulatory matters. Fluency in Mandarin is an advantage. In-house experience in Singapore with cross-border exposure, ability to work independently, commercial savvy and being adaptable are vital. [S3201]

Senior Counsel (10+ PQE), Singapore

A leading MNC in the outsourcing industry seeks a senior lawyer. Supporting a high growth business unit across Asia Pacific, the successful candidate will provide contracting and general legal advice, with a focus on negotiating regional and global facilities management contracts and developing best practices from a legal perspective. The ideal candidate should be qualified in a Common Law jurisdiction and have prior experience dealing with government agencies in the AP region. He/she must also have strong communication skills, commercial acumen and be an experienced negotiator. [S3209]

Regional Director (8+ PQE), Singapore

Reputed IT industry leader is looking for a senior lawyer to advise on strategic employee relations and compliance, employment practices impacting workforce effectiveness and risk management, business organisation change assessments, and internal investigations. Highly experienced and skilled candidates with a track record of providing consultative guidance to senior management, strong partnering, collaboration, communication skills with the ability to handle highly sensitive information with absolute confidentiality and professionalism with an expert level of regional employment laws and best practices are required. [S3213]

Regional Compliance Counsel (8+ PQE), Singapore

Large multi-specialty healthcare company seeks a lawyer to join their Asia Pacific legal team. You will be primarily responsible for the regional compliance function. You will lead and drive compliance initiatives, policies and matters relating to healthcare compliance with local laws and regulations, codes of conduct, FCPA and UK Bribery Act, corruption, investigations, competition and data privacy. You will work closely on corporate commercial issues in connection with the company's business. Relevant experience in the healthcare/ pharmaceutical sector will be an advantage. [S3129]

Legal Manager - BHP Billiton (7+ PQE), Singapore

We have been exclusively instructed by BHP Billiton to recruit a lawyer to support their centralised Marketing business based in Singapore. The main area of focus will include commodity sales agreements, shipping arrangements, finance and credit support and competition and anti-corruption compliance support. The ideal candidate will be Singapore Qualified and have solid experience in global marketing and commodity trading activities. Multi-jurisdictional experience, and experience in shipping and maritime law would be advantageous. A strong commercial orientation and the ability to provide practical legal advice will put you in good stead. [S3115]

Assistant/Deputy General Counsel (4-8 PQE), Singapore

Key player in the communications industry seeks a lawyer to join its legal team. The candidate will be responsible for advising on the development and enforcement of local law relating to the protection of personal data, data protection policy issues, international development in data protection, complaints and investigations. Candidates must be qualified in Singapore. Candidates with experience gained in a top tier law firm or in-house with the relevant industry would be considered favourably. Some litigation experience is preferred. [S3222]

Corporate Partner (6-8 PQE), Singapore

An international law firm is seeking an experienced M&A lawyer to join its increasingly busy corporate team. The ideal candidate would have substantial experience advising listed companies on regional cross border M&A transactions and be familiar in dealing with both local and international clientele. Being a team player, good communication skills and the ability to develop business will be valued. A track record in leading high level transactions is required. Competitive package and excellent career path on offer. [S3212]

Corporate Associate (4-6 PQE), Singapore

Our client is a boutique international law firm that specialises in cross border transactions for a diverse range of quality clients. It is rapidly expanding and requires a dynamic and energetic mid-to senior level associate to join its very busy practice. Experience in cross border M&A transactions would be advantageous. Common law qualified lawyers in and around the region are encouraged to apply. The ideal candidate would have sound legal knowledge as well as the ability to think on their feet and enjoy working in a demanding fast paced environment. Competitive remuneration on offer. [S3220]
