

# Stand Out With Hughes-Castell

## In-house

### ASEAN Attorney | 7-13 yrs pqe REF: 11137/SLG

Our client, this global industrial corporation now seeks an experienced & dynamic attorney to be based in Singapore to pro-actively support the legal operations across the South-east Asian region. Your responsibilities will include a broad range of matters - including commercial transactions, software licensing, IP protection, general corporate governance, labor law, legal compliance initiatives, and the implementation of new business models and training programs. Ideally, you are a common-wealth qualified lawyer with 7+ years generalist legal experience. Expertise in the ASEAN region, strong drive, commercial acumen and demonstrable track record in providing strategic legal advice and solutions are a given.

### Credit & Rates Compliance | 8+ yrs pqe REF: 11107/SLG

Oversee legal and compliance matters at this well known financial institution. You will be responsible for the provision of coordinated, practical, timely advice to the Credit & Rates sales, trading and structuring desks across Asia working closely with colleagues from across the region. You will also advise & assist with regional and global compliance policies and training as well as regulatory and internal inspections, investigations, audits inquiries when required. The successful candidate will hold 8+ yrs of experience in compliance (including regulatory or law enforcement); Knowledge of Fixed Income markets and products and strong research & analytical skills.

### VP, Treasury & Markets | 8 yrs pqe REF: 11148/SLG

Take charge of the Treasury and Markets legal team at this leading bank. You will ensure overall effectiveness in the excellent delivery of legal, compliance and governance services to internal customers and stakeholders, as well as recommend, supervise and manage external lawyers to ensure that high quality and focused advice is received to protect the bank's interests. Ideal incumbent is a SG/UK qualified lawyer and has 8 yrs of experience gained with a financial institution or private practice. Knowledge of legal & regulatory requirements of Singapore, derivatives (funded and unfunded) and fixed income products is a given.

### Legal Counsel | 5-6 yrs pqe REF: 11158/SLG

This global telecom provider is seeking a skilled lawyer to be a vital part of the regional legal team based in Singapore. The ideal candidate

has blue-chip generalist corporate commercial experience. Having worked for technology or banking industry will be an asset but is not essential. Candidates with a commercially-savvy approach along with strong management skills will be well-suited for this role.

### Legal Counsel | 4-6 yrs pqe REF: 11145/SLG

Our client, one of the world's major independent companies specializing in commodity trading, transport and storage of oil and petroleum products is now looking for a counsel to join their expanding team in Singapore. You will work closely with the senior counsel to provide performance and client-driven service to the traders and operational divisions. The ideal candidate is a common-law qualified lawyer in a trading house, bank or law firm; has specialized practice in dealing with corporate, trading, and banking contracts etc. Candidates with a commercially-savvy approach along with strong technical skills will be well-suited for this role. Bahasa language skills will be a plus.

## Private Practice

### Commodities Lawyer | 2-4 yrs pqe REF: 11162/SLG

Multiple positions are available for junior lawyers at this leading UK-headquartered law firm. The successful incumbents are required to possess experience in finance (non-litigious shipping) related matters gained from an international law firm. Lawyers with SG qualification, excellent English language skills and a commodities/derivatives and/or private wealth management background are desired. Qualified candidates from UK/US/Commonwealth with relevant experience are also welcome to apply.

### Corporate Associate | 2-3 yrs pqe REF: 10692/SLG

A leading international law firm with a global reach is looking for a 2-3 yrs PQE Singapore qualified associate. Candidates with strong credentials and a common law background are encouraged to apply.

### US Capital Markets | 2-3 yrs pqe REF: 11039/SLG

This US-based law firm now seeks a US qualified capital markets associate to join their growing team in Singapore. You should have first-rate academics from a top-tier university, along with at least two years of relevant experience gained from a similar capacity. Solid understanding of securities, banking, M&A, finance is desired along with excellent technical skills.
