Private Practice

Corporate Partner — Singapore — 10+ PQE

A local boutique law firm specialising in corporate, technology, media and IP seeks a Corporate Partner who ideally should be a Partner or Senior Associate qualified in Singapore, UK or Australia, with at least 10 years' PQE, experience in general corporate work, and preferably with the ability to bring in some book of business. Good training and exposure to a broad range of local and regional work will be offered. (SLG 14108)

Senior Finance Associate — Singapore — 6-9 PQE

An international firm with a growing practice seeks a Senior Associate to join their Finance team. You will assist the Partners in managing a broad range of finance transactions with a focus on asset finance work. You should be either Singapore, UK or Australia qualified with at least 6-9 years of experience in asset finance work, ideally in aircraft finance. (SLG 13666)

Senior Corporate M&A Associate — Singapore — 5-10 PQE

A global magic circle firm is looking for a senior level M&A Lawyer in Singapore. You should be qualified in Singapore, Australia or UK, with strong transactional experience in corporate M&A work gained from a top-tier local or international firm. (SLG 14097)

Disputes Resolution Associate — Singapore — 3-6 PQE

A global firm seeks a mid-level Singapore qualified Associate to join their Disputes team. You will assist the partners with a broad range of regional dispute matters including financial crime and arbitration work. 3-6 years' PQE in litigation or arbitration work gained from a top-tier law firm in Singapore with exposure working on white collar crime matters essential. (SLG 13931)

Corporate Associate — Singapore — 2-4 PQE

A boutique local law firm specialising in corporate, technology, media and IP seeks a Junior Associate who is qualified in Singapore, UK or Australia, with at least 2 years' PQE as well as experience in general corporate or IT/IP work. Good training and exposure to a broad range of local and regional work will be offered. (SLG 14095)

Asia BD Executive — Singapore

An international firm seeks a Business Development Executive for the Southeast Asia region. Reporting to the Head of BD and working closely with other BD team members in Southeast Asia and globally, you will provide high quality BD support to lawyers within the region, with a focus for the disputes resolution practice. Excellent English written and oral communication skills are essential. (SLG 14054)

In-house

Regional Counsel (Chemicals) — Singapore — 8-15 PQE

An international company seeks a Senior Legal Counsel to oversee their Legal team in Singapore. You will provide legal advice to different business units, draft and negotiate contracts, and implement legislation, policies and guidelines. Excellent analytical, and commercial negotiations skills required. (SLG 14070)

M&A Counsel (Healthcare) — Singapore — 8-15 PQE

A leading regional healthcare service provider is seeking a Legal Counsel to advise the business on a broad range of matters across several jurisdictions, including joint ventures and acquisitions, capital markets, as well as general corporate commercial matters. At least 8 years' PQE in both M&A transactional, capital markets and general commercial work required. (SLG 12485)

Projects Construction (Real Estate) — Singapore — 5-12 PQE

A major international property company seeks a mid to senior-level lawyer who will be responsible for advising the business on all construction and project developmental matters across Asia. You should have solid experience in either advising on real estate construction related issues and drafting construction contracts, or construction related dispute matters. (SLG 14079)

Derivatives Lawyer (Financial Institution) — Singapore — 4-8 PQE

A leading regional bank seeks a Derivatives Lawyer to join their Legal team. Reporting directly to the General Counsel and supervising a junior Legal Counsel, you will handle master agreements for the global markets team and advise on a wide range of derivative products. You should come with strong product knowledge and experience dealing with derivative transactions. (SLG 14046)

Asia Pacific Counsel (Technology) — Singapore — 4-7 PQE

A well-established technology company seeks a Legal Counsel to oversee the legal and company secretary matters in Asia Pacific. You will negotiate and resolve legal issues of customer and vendor contracts, advise business units on legal matters, assist with M&A projects, and handle compliance issues. Good understanding of the US anti-bribery and anti-corruptions laws and fluency in written and spoken English and Chinese essential. (SLG 14052)

Legal Counsel (Logistics) — Singapore — 3-6 PQE

A leading logistics company seeks a Legal Counsel to join their established Legal team. You will advise on various legal issues across the region. Good corporate commercial experience and prior in-house experience dealing with logistics/supply agreements a must. (SLG 13982)
