Private Practice

Corporate Partner — Singapore — 10+ PQE

A local boutique law firm specialising in corporate, technology, media and IP seeks a Corporate Partner who ideally should be a Partner or Senior Associate qualified in Singapore, UK or Australia, with at least 10 years' PQE, experience in general corporate work, and preferably with the ability to bring in some book of business. Good training and exposure to a broad range of local and regional work will be offered. (SLG 14108)

Senior Construction Associate — Singapore — 6-12 PQE

A leading international law firm seeks a senior level construction lawyer who must have solid arbitration or litigation experience with substantial experience in construction related matters gained from a leading practice. Excellent client relationship management skills with supervisory experience essential. (SLG 14225)

Senior Asset Finance Associate — Singapore — 5-10 PQE

An international firm with a growing practice seeks a senior associate to join their Banking Finance team. You will assist the partners in managing a broad range of finance transactions with a focus on asset finance work. Either Singapore, UK or Australia qualified with over 5 years' experience in aviation or shipping finance required. (SLG 14226)

Senior Corporate M&A Associate — Singapore — 5-10 PQE

A global magic circle firm is looking for a senior level M&A lawyer in Singapore. You should be qualified in Singapore, Australia or UK, with strong transactional experience in corporate M&A work gained from a top-tier local or international firm. (SLG 14097)

Funds, M&A/Finance Associate — Singapore — 4-7 PQE

A leading global offshore firm seeks an associate to join its new office in Singapore. You will assist with a broad range of corporate legal work including funds, finance and M&A matters. You should be Singapore or UK qualified with at least 4-7 years' PQE, and graduated with a 2:1 from a recognised university. (SLG 12777)

Dispute Resolution Associate — Singapore — 3-6 PQE

A global firm is looking for a mid-level Singapore qualified associate to join their Disputes team in Singapore. You will assist Partners on a broad range of regional dispute matters including financial crime and arbitration work. You should have at least 3-6 years' PQE in litigation or arbitration work gained from a top-tier law firm in Singapore with exposure working on white collar crime matters. (SLG 13931)

In-house

Senior Regional Counsel, Pharma — Singapore — 10-14 PQE

An international pharmaceutical company seeks a senior counsel who will support the business across APAC where you will participate in M&A deals and advise on a range of corporate and commercial matters. Prior in-house experience a must. Candidates should also be called to the Singapore bar. (SLG 14439)

Regional Counsel, Chemicals — Singapore — 8-12 PQE

An international company seeks a senior legal counsel to oversee their legal team in Singapore. You will provide legal advice to different business units, draft and negotiate contracts with a focus on M&A and joint-venture projects, and implement legislation and policies. Excellent analytical and interpersonal skills with strong commercial negotiations skills required. (SLG 14070)

Commercial Counsel, IT — Singapore — 5-10 PQE

A major US listed company in the IT space is looking for a legal counsel to support the business across APAC where you will advise, negotiate and draft a broad range of customer service related contracts. At least 5-10 years' PQE with good corporate commercial experience. Lawyers from in-house or private practice will be considered. (SLG 14333)

Derivatives Lawyer, Financial Institution — Singapore — 4-8 PQE

A leading regional bank seeks a derivatives lawyer who will advise on a wide range of plain vanilla and structured derivatives, and supervise a junior legal counsel on master agreements for the Global Markets team. You should have relevant experience dealing with derivatives, and strong product knowledge. (SLG 14046)

Corporate Counsel, IT — Singapore — 4-7 PQE

A major US-listed company in the IT space seeks a legal counsel to support the business across APAC where you will advise on a broad range of corporate matters including M&A, employment, corporate re-organisation, real estate and IP. Corporate commercial experience a must. Lawyers from in-house or private practice will be considered, preferably Singapore qualified. Mandarin is required. (SLG 13257)

Legal Counsel, Start-up — Singapore — 3-5 PQE

A fast growing local start-up is looking for a legal counsel to advise the business across APAC on all legal and regulatory matters including corporate commercial matters, fund raising and M&A work, and support on any new business initiatives. Singapore qualified with 3-5 years' PQE in corporate work required. (SLG 14272)
