Private Practice

Corporate Partner — Singapore 10-18 PQE

International law firm with a strong international platform seeks a corporate partner to expand its corporate practice. Ideal candidate should be admitted to Singapore with strong corporate M&A experience and good commercial business acumen. (SLG 14870)

Corporate Finance Associate — Singapore 3-6 PQE

Wall Street law firm seeks an associate to join their capital market team in Singapore. The lawyer will involve in a range of ECM, DCM and M&A work. The ideal candidate must have solid experience in capital market transactions. Top class academics are crucial and experience in reputable local or international law firm required. (SLG 14922)

Financial Regulatory Associate — Singapore 2-5 PQE

Global law firm seeks a financial regulatory associate to join their team in Singapore. This role will advise financial institutions, government bodies and corporates on legal, financial regulatory and compliance matters, as well as advise on the management of conflicts of interest, global marketing and selling restrictions and drafting and negotiating distribution agreements. Excellent academic credentials required. (SLG 15133)

Debt Capital Markets Associate — Singapore NQ-4 PQE

Top-tier UK law firm seeks a junior to mid-level debt capital markets lawyer to join their team. The lawyer will work closely with partner and senior associates and involve in high profile cross-border capital market transactions. Chinese fluency needed. (SLG 15094)

US Capital Markets Associate — Singapore 1-3 PQE

Top-tier law firm seeks a junior US qualified capital markets lawyer to join their practice in Singapore. The candidate should have a JD and be admitted to the New York or Californian Bar, with at least 1-2 years of experience in capital markets or corporate finance transactional work gained with a top tier law firm. The successful candidate will be part of a dynamic team covering capital markets work across the region. Due to the nature of the work, proficiency in Mandarin or Indian would be ideal. (SLG 14901)

General Corporate Associate — Singapore NQ-2 PQE

A boutique local law firm with specialist capabilities in corporate and technology, media and IP is looking for a junior Singapore qualified associate to join their fast expanding team. The associate will work closely with the senior lawyers on a broad range of corporate transactions across the region. The successful candidate can expect good training and exposure to a broad range of local and regional work. (SLG 15042)

In-house

Senior Treasury Legal Counsel — Singapore 10-15+ PQE

Boutique private bank looks for a senior legal counsel to support their Treasury and Trading business in Singapore. The legal counsel will be involved in advising the business on a broad range of matters including general banking, treasury, trading and financial services regulatory. The ideal candidate should be familiar with structured finance, capital markets and derivatives products. (SLG 15269)

Project Construction Counsel — Malaysia 6-10+ PQE

Major property corporation is looking for a mid to senior level property construction lawyer to join their legal team in KL, Malaysia. The lawyer will work with the legal and business teams in Malaysia to oversee and advise on all project infrastructure and construction related work. The ideal lawyer should have experience in building construction related legal work. (SLG 15226)

China Commercial Counsel — Singapore 5-10+ PQE

Major US listed company in the IT space is looking for a legal counsel to join their team based in Singapore. The counsel will be part of a dynamic team of lawyers supporting the business across the APAC region with focus on their business in China, where he/she will be involved in advising, negotiating and drafting a broad range of customer service related contracts, and advising on the regulatory framework in China. The ideal candidate should have good corporate commercial experience and understanding of PRC corporate laws and regulations. Due to nature of the role, strong proficiency in Mandarin is required. (SLG 15170)

Employment Counsel — Singapore 4-8 PQE

Global financial institution seeks an employment lawyer to join their corporate services team based in Singapore. The lawyer will focus on advising the bank on employment related issues such as employment benefits, severance, and disputes across the APAC region, but will also be exposed to other general commercial work. (SLG 14965)

Legal Counsel — Singapore 4-8 PQE

Leading bank is looking to hire a derivatives lawyer to join their legal team based in Singapore. The candidate must have 4-8 years PQE, with good experience dealing with derivatives and strong product knowledge. Client is open to candidates from private practice or in-house. (SLG 14046)

Contract Specialist — Singapore 2+ YRS

Major US listed company in the IT space is looking for a contracts specialist to join their legal team based in Singapore. The contracts specialist will be part of a dynamic team of lawyers supporting the business across the APAC region where he/she will be involved in advising on their standard customer service related contracts as well as manage their contracts database. The ideal candidate should have either a law degree or law diploma with at least 2 years of paralegal experience handling a range of legal corporate matters. (SLG 15169)
